## ***When Can We Swim in Wilson Ave. Pool?***

The ***Committee To Open Wilson Ave. Pool*** has been working hard for the last couple years to get the Pool reopened. We think our children should have the chance to learn how to swim, and to use the Pool, summer and winter. We think senior citizens and adults would also like to have this opportunity.

Because of what we've done so far, City officials did put \$80,000 in the budget to fix up the Pool. But now, they aren't spending the money.

The ***Committee To Open The Wilson Ave. Pool*** is joining with residents from other neighborhoods in Newark to form the ***Coalition To Improve Newark Recreation***. Together we are going to work to get our Pool open, and to make recreation the top priority it should be in the City.

Come out and hear what has been happening and what you can do to help get our Pool open!
